**Union Carbide Wins Fourth Safety Award**

Union Carbide Corporation has received the Award of Honor, highest honor bestowed by the National Safety Council.

Howard Pyle, president of the Council, presented the award to Birny Mason, Jr., president of Union Carbide, at a brief ceremony.

The award was given in recognition of the entire corporation's performance during the year 1960. This was the fourth time Union Carbide has received the award.

The Safety Council made the award on the basis of Union Carbide's improved safety record over its own past performance and over the record of industry as a whole. In 1960, the Corporation's disabling injury frequency rate was 1.92, and its severity rate was 345.

Frequency rate refers to the number of disabling injuries per million labor hours worked. Severity rate indicates the number of days charged per million hours worked.

Union Carbide employs more than 73,000 men and women in its plants, sales and executive offices, and warehouses throughout the United States and Canada.

cauliflower, celery, lettuce (large size heads), onions, potatoes (many large ones), romaine, and all kinds of the warm weather varieties of squash. Tomatoes scarce this week, but these higher temperatures will change the picture pronto.

### PROTEIN FOODS

No menu problems. Poultry, red meats, fish, eggs, and dairy products all vying for the consumer's dollar.

**BEEF.** Many "specials." Buy it with thrift and cook it with care.

**LAMB.** Treat your family with this delicious meat. Get out your favorite cookbook and try something a little bit different.

**PORK** not in as great a demand during the warmer weather. Enough in market to take care of the needs.

**POULTRY.** Abundant, low priced, and an ideal food for summer. Turkey and chicken (all sizes) are on many a market list.

## World War I Vets Slate Breakfast

Torrance Barracks, Veterans of World War I, will sponsor a breakfast Sunday morning at the American Legion Hall, 1109 Border Ave., from 9 until noon.

Sunday's menu will include ham, sausage, bacon, eggs, toast, biscuits, and pancakes in addition to coffee and juices, according to the sponsors.

The breakfast, at \$1 a plate, has been scheduled to supplement the operating funds of the veterans group.

### Anti-Red Film

## To Be Shown at School Tuesday

The meeting is open to the public.
